The label of the CE Marking below should be not less than 5mm height. CE Marking and EC Declaration of conformity are duties for the manufacturer or its applicant who puts the product on the market. This one is responsible to start the CE marking and certification procedure as required by the legislation in force. Only for the products which are compulsorily included into specific Directives or Regulations will be necessary to appoint a Notified Body.

NOTE :The applicant is aware about the contents and information included in the ModCOM04.06 Regulation for this type of Certificate that is considered totally accepted. This document is not referred to any evaluation that could be considered as included in the scope of the activities covered by the standard BS EN ISO/IEC 17065 :2012 or European Regulation 765/2008.

REMARK : certificate is issued on voluntary application from the Client and it gives to the applicant the right to use and affix the CE Mark (at point 3) on their products, even if it doesn't imply any assessment on the safety and compliance of the product. STS declares that the only scope of the assessment is to verify the existence of the declaration issued by the manufacturer or an applicant under its own responsibilities.
